The Management Board of BEST S.A. with its registered office in Gdynia (Issuer) announces Update No. 6 of 3 March 2017 to the base issue prospectus approved on 3 October 2016, amended by way of an addendum approved on 11 January 2017 (Base Issue Prospectus), and to the final terms of issue of the series R3 bonds (Final Terms) published on 28 February 2017. Update No. 6 is published due to the fact that the number of available series R3 bonds (Bonds) was exceeded.

The Issuer announces that on 2 March 2017 the number of subscriptions for the Bonds exceeded the total number of Bonds offered. As a result, 2 March 2017 was the Oversubscription Date within the meaning of item 32, section “Information about Offering” of the Final Terms. 3 March 2017 is the final date for subscribing for the Bonds. The subscriptions of investors who subscribed for the Bonds between 2 March 2017 (included) and 3 March 2017 (included) will be reduced. The detailed manner of reducing subscriptions is specified in the Final Terms.

The Base Issue Prospectus, the Final Terms and updates to the Base Issue Prospectus are available on the Issuer’s website – www.best.com.pl.
UPDATE NO. 6

of 3 March 2017

to the base issue prospectus approved on 3 October 2016 and amended by way of an addendum approved on 11 January 2017, and to the Final Terms of the series R3 bond issue, published on 28 February 2017

The Issuer hereby announces that 2 March 2017 was the Oversubscription Date within the meaning of item 32, section “Information about Offering” of the Final Terms.

On 2 March 2017, the number of subscriptions for series R3 bonds exceeded the total number of offered series R3 bonds. Therefore, 2 March 2016 was the Oversubscription Date within the meaning of item 32, section “Information about Offering” of the Final Terms. As a result, the term for accepting subscriptions referred to in item 28, section “Information about Offering” of the Final Terms is shortened and the closing date for subscriptions for series R3 bonds is 3 March 2017.

The subscriptions of investors who subscribed for series R3 bonds between 2 March 2017 (included) and 3 March 2017 (included) will be reduced proportionately. The detailed manner of reducing subscriptions is specified in the Final Terms.
